

Call for participants from under- represented groups!

Who do we want?

Autistic people with lived experience of eating disorders. We strongly encourage participation of underrepresented groups including: males, minoritized ethnicities, LGBTQ+ individuals and underrepresented eating disorder presentations (Binge eating disorder, Bulimia Nervosa).

What will be involved?

We are looking for people with lived experience to take part in 5 online Photovoice workshops to highlight and discuss community research priorities.

Where will the workshops be?

Workshops will be held both online and in-person at the University of Edinburgh.
